“Every new beginning comes from some other beginning’s end.”. – Seneca

Dear Students

I am so overwhelmed and have no words to express my happiness as you all walk back into the portals of the school after a long span of time. As we come together once again , the following thought comes to my mind:

*Today*

*I close the door to the past, open the door to the future, take a deep breath, step on through and start a new chapter in my life.*

So my dear children start afresh with greater zeal, confidence and faith.

“Take the first step in faith. You don’t have to see the whole staircase, just take the first step.”

With the Martin Luther King Jr., I welcome you back and pray that you excel an all endeavours and above all remain healthy and safe.

**Dear Lord, Give us the courage and strength to preserve and complete the task that lies ahead of us. Restore and refresh our exhausted spirit. We pray that the fountain of Living water will flow within us so as we go along our journey, we can be a testimony and a reflection of your glory. Guide us in all our thoughts, words, decisions and actions that Your light will shine within us and illumine this otherwise dark world.**

**In Jesus precious name we ask.**

**AMEN**
